

# TEMPLE CITY'S RECREATION SCHOLARSHIP PROGRAM FOR YOUTH

## ABOUT THE PROGRAM

To make City sponsored youth recreation activities available to all families in the community, the City of Temple City has established a Recreation Scholarship Program. The program was developed to encourage participation from families who could not otherwise afford the City's recreation activities' fees.

***The Recreation Scholarship Program discount applies to all Parks & Recreation activities for youth, younger than 18 years. Families can use the scholarship for more than one program and for all qualified family members.***

The discount percentage is determined by total household income and the number of persons living at the residence. If a family qualifies, fees would be discounted, **50% or 75%**.

Recreation Scholarship Program applications are provided by postal mail or by email. The completed Recreation Scholarship Program application can be submitted to the Community Center. A complete application includes proof of residency and financial income as directed on the form.

Applicant must have a total household income at or below the following limits:

Household Size	<b>*Income limits are subject to change</b>
2	\$66,800
3	\$75,150
4	\$83,500
5	\$90,200
6	\$96,900
7	\$103,550
