Point-in-Time Homeless Count Data – Taken from the 2018 and 2019 Greater Los Angeles Homeless Count totals.

Cumulative CES Statistics from HMIS – This data includes all persons that were assessed through CES and received homeless services in the date range. For households with more than one person (including families), the assessment of the head of household is applied to all members.

Permanent Housing Placements – Includes persons that have moved into permanent housing during the report period (through either rapid re-housing, permanent supportive housing, or other permanent destinations).
