Temple City Mayor Fernando Vizcarra will reflect on the city's accomplishments and expectations at his State of the City address February 1.

Open to the public, the event starts at 7:30 p.m. in the Temple City Council Chambers, 5938 Kauffman Ave. The mayor's address will stream live at www.templecity.kgem.tv and broadcasted the following day on public access channels 3 (Charter Cable) and 99 (AT&T U-Verse).

"My presentation will focus on the City Council's commitment to turn city government from status quo to high performing," said Mayor Vizcarra. "I'm going to talk about what we accomplished in 2010 and what's ahead for 2011."

Among other things, the mayor will discuss the Rosemead Blvd. improvement project, investment along Las Tunas Dr. and the proposed Temple City Plaza project – the city's newest retail development in almost 20 years. Also for discussion is the city's upcoming work program that focuses on accountability, public participation and quality of life initiatives.
